

Story of an Immigrant

Chronicles of the Besse Family from Butternut published

BUTTERNUT. The German authors Dr. Maria Besse and Thomas Besse from Riegelsberg in Germany have published the chronicles of the Besse family under the title "The Mayor of Hornbach Isaac Besse (1652-1725), Ancestors and Descendants". The new book is being promoted by John Besse, President of the BESSE

FOREST PRODUCTS GROUP COMPANIES in Gladstone, Michigan.

The name Besse is fairly well known in Butternut. Henry Besse Sr., a German immigrant, was one of the first men to settle in the area in 1877 and one of the founding fathers of Butternut.

The Besse family history is a typical migration story, which happened many times in Europe in the past: Since the 17th century, there have been emigrations from Switzerland to Belgium, Germany, England, Holland and France as well as from the Palatinate to the United States in the 19th century.

After the Thirty Years' War, the Swiss Isaac Besse immigrated into the German duchy Palatinate-Zweibrücken in 1682. However, it was not a workman who immigrated, but the son of a Swiss notary from the French-speaking canton of Vaud. As the nobly appointed Mayor (*Stadtschultheiss*), Isaac Besse held a public office in the town of Hornbach near Zweibrücken (Two Bridges/Palatinate).

Isaac Besse's grandson Henry Besse from Annweiler, Rhineland-Palatinate, Germany emigrated to the United States in 1849 and served as postmaster in Butternut as did his son and grandson.

This academic study includes numerous old documents from different archives which provide interesting insight into early modern times. The documents tell of the imposing inheritance from the Governor Francis Best (François Besse) from the Island of Jersey/England, the quarrel over a dowry, French lifestyle, a brief history to Butternut by Ruth Gear and more. On account of the good quality of the documentary material in the Swiss archives, the Besse family tree can be traced back over 21 generations to 1397.
